DISTINGUISHING FEATURES OF THE CLASS:
This work involves responsibility for planning, developing, implementing, maintaining, evaluating and overseeing programs designed to increase the economic self-sufficiency of low-income families and thereby reduce their need for subsidized programs and services. The work is performed under general supervision of senior management, with considerable requirement for independent judgment and action taken in the above areas. Supervision may be exercised over one or more subordinate employees.

TYPICAL WORK ACTIVITIES:
• Plans, implements, directs, and evaluates the Family Self-Sufficiency Program in accordance with regulations promulgated by the United States Department of Housing and Urban Development and policies set by Any Town Housing Authority;
• Develops or assists with the development of Action Plan policies for the program with the recommendations of the Program Coordinating Committee;
• Supervises and participates in the preparation and maintenance of program materials, reports and records such as assessments, financial records, activity reports and case management records;
• Maintains data regarding Family Self-Sufficiency services and accomplishments and prepares reports summarizing these service data for use by the Any Town Housing Authority, the Department of Housing and Urban Development and the community of service providers assisting with the delivery of services;
• Serves as liaison among and between related departments within Any Town Housing Authority whose goals and daily work product relates to the Family Self Sufficiency program including but not limited to housing choice voucher, public housing, finance and other resident services;
• Serves on special boards and committees serving Any Town Housing Authority residents needs and represents Any Town Housing Authority at workshops and training programs which benefit from Any Town Housing Authority participation and/or sponsorship.
• Networks with community agencies, determines key leadership from these agencies and coordinates the formation and ongoing viability of a Program Coordinating Committee to provide services, technical assistance and policy guidance.
• Collaborates with community agencies and mainstream providers for the provision of these services for clients;
• Contracts through Memoranda of Agreement or contracts with community agencies and mainstream providers to ensure on-going provision of these services for clients;
• Interviews and determines the eligibility of applicants for the Family Self-Sufficiency Program;
• Assesses service needs of program participants, and through case management, goal setting, referrals and monitoring assists participants in accessing appropriate public or private community agencies to obtain specialized types of assistance;
• Reviews case records to update and monitor client needs; and
• Maintains knowledge of successful national and local efforts to assist low income families achieve economic self-sufficiency.
