Additional Overview Information

Incorporation of the General Section. HUD publishes a General Section each fiscal year that contains requirements for all applicants to HUD's various competitive grant programs, including this NOFA. Applications must meet all of the requirements of the General Section in addition to the requirements of this NOFA to be considered and potentially receive funding. The full title of the General Section is the General Section to HUD's Fiscal Year 2016 Notice[s] of Funding Availability for Discretionary Programs. Copies are available at [Grants.gov](http://grants.gov) or HUD's [Funds Available](http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/grants/fundsavail) page, http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/grants/fundsavail.

1. Participative Planning and Implementation. HUD encourages all applicants to HUD's competitive programs to ensure, where applicable, public decision making and meaningful participation throughout the visioning, development, and implementation of funded projects, by residents of affected areas and especially communities traditionally marginalized from planning processes. In seeking public participation, applicants and grantees must ensure that all communications are provided in a manner that is effective for persons with hearing, visual, and other communications-related disabilities consistent with Section 504 of the Rehabilitation Act of 1973 and, as applicable, the Americans with Disabilities Act. In addition Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000(d) and Executive Order 13166 require that grantees take responsible steps to ensure meaningful access to services, programs, and activities by persons with Limited English Proficiency (LEP persons).

2. **OMB Approval Number(s):** 2506-0210

NOFA Priority

The purpose of the YHDP is to learn how communities can successfully approach the goal of preventing and ending youth homelessness by building comprehensive systems of care for young people rather than implementing individual or unconnected projects that serve this population. In order to effectively implement a system that addresses the needs of youth experiencing homelessness, Continuums of Care (CoCs) must understand the subgroups of unaccompanied youth – including pregnant and parenting, Lesbian, Gay, Bisexual, Transgender, and Questioning (LGBTQ), and minor age youth – experiencing homelessness and the unique challenges they face within their communities. Additionally, CoCs must ensure that the appropriate type of housing assistance and level of services that are effective in providing safe and stable housing are available within the community and must reach out and partner with a comprehensive set of traditional and non-traditional youth homelessness stakeholders that provide youth with resources and services, advocate for them, and set policy on their behalf. Finally, CoCs must incorporate the experiences of homeless or formerly homeless unaccompanied youth – which is vital to understanding the needs, strengths, and perspectives of the youth in the community – and incorporate those understandings into the YHDP coordinated community plan and awarded projects. All of this will require CoCs to use innovative practices to design better projects and strong comprehensive plans to prevent and end youth homelessness.

Background

In 2010, the United States Interagency Council on Homelessness (USICH) presented Opening Doors: The Federal Strategic Plan to Prevent and End Homelessness to the President and Congress, identifying youth as one of four special populations and articulating a goal of preventing and ending youth homelessness by 2020. A coordinated community approach lies at the heart of the strategies advocated by Opening Doors^[1]. By engaging in a system-wide crisis response, communities can better understand their system level needs and assets, plan for and allocate new and existing resources, prevent and quickly divert youth from homelessness, and identify, engage, and respond to the needs of youth experiencing homelessness. These concepts are described in the 2012 release of the Framework to End Youth Homelessness^[2], and Preventing and Ending Youth Homelessness: A Coordinated Community Response by USICH in December of 2015^[3]. The 2015 release included a “Preliminary Vision for a Community Response” and illustrates the general components believed necessary for each community to prevent and end youth homelessness. Federal partner agencies with a stake in preventing and ending youth homelessness, are working tirelessly together to build on that vision. This work together and a commitment to developing and supporting a coordinated community approach guides the Department of Housing and Urban Development’s (HUD) effort to prevent and end youth homelessness, and serves as the cornerstone value for the Youth Homelessness Demonstration.

I. Funding Opportunity Description.

A. Program Description.

1. Purpose.

The goal of the YHDP is to support up to 10 communities, at least 4 of which will be rural, in the development and implementation of a coordinated community approach to preventing and ending youth homelessness, and sharing that experience with and mobilizing communities around the country toward the same end. The population to be served by this demonstration program is unaccompanied youth experiencing homelessness, including pregnant or parenting youth, where no member of the household is older than 24. The demonstration has five primary objectives:

1. **Build national momentum.** Motivate state and local homelessness stakeholders across the country to prevent and end youth homelessness by forming new partnerships, addressing system barriers, conducting needs assessments, testing promising strategies, and evaluating their outcomes through this NOFA, supportive policy briefs, consistent cross agency messaging, and substantial technical assistance material;
2. **Evaluate the coordinated community approach.** coordinated community approaches to preventing and ending youth homelessness, including local and state partnerships across sectors and other planning operations;
3. **Expand capacity.** Demonstration communities will expand their capacity to serve homeless unaccompanied youth, potentially piloting new models of assistance, and determining what array of interventions is necessary to serve the target population in their community.

4. **Evaluate performance measures.** Evaluate the use of performance measurement strategies designed to better measure youth outcomes and the connection between youth program outcomes and youth performance measures on overall system performance for the Continuum of Care (CoC);
5. **Establish a framework for federal program and TA collaboration.** Determine the most effective way for federal resources to interact within a state or local system to support a coordinated community approach to preventing and ending youth homelessness.

To meet these objectives, the YHDP makes use of the project implementation, technical assistance, and evaluation funding made available on December 18, 2015 through the Consolidated Appropriations Act, 2016 (Public Law 114-113), “the Act.” The act appropriated \$33 million to HUD “to implement projects to demonstrate how a comprehensive approach to serving homeless youth, age 24 and under, in up to 10 communities, including at least four rural communities, can dramatically reduce youth homelessness,” \$5 million to HUD “to provide technical assistance on youth homelessness, and collection, analysis, and reporting of data and performance measures under the comprehensive approaches to serve homeless youth, in addition to and in coordination with other technical assistance funds provided under this title,” and a further \$2.5 million to HUD “for homeless youth program evaluations conducted in partnership with the Department of Health and Human Services.”

This NOFA is for the selection of the communities and to alert each community of the amount of money available to them through the YHDP. The CoC's Collaborative Applicant is responsible for submitting the application for this NOFA.

This NOFA establishes the process and requirements for the selection of the communities and alerts each community of the maximum amount of funding available to them through the YHDP. The CoC's Collaborative Applicant is responsible for submitting the application for this NOFA, and if selected, the selected communities will then be able to apply for project funding via the project applicant. Projects will be expected to follow CoC Program requirements, unless a waiver is approved to a specific CoC Program requirement (see Appendices A and B for project application and waiver information).

HUD plans to support the community process described by this NOFA, including the community application process, with publicly available technical assistance resources. HUD will publish technical assistance material for the benefit of all communities in the form of online guidebooks, case studies, templates, and other technical assistance delivery vehicles throughout the duration of the demonstration, and will also reserve significant resources for direct technical assistance to the selected communities at the conclusion of this competition according to the process described in this NOFA. HUD will assign dedicated teams of technical assistance providers to assist selected communities in analyzing community strengths and needs, developing a coordinated community plan, implementing the plan, and then engaging in a process of continuous quality improvement. While the communities are engaged in developing and implementing their plans, HUD will coordinate a demonstration evaluation that will be published and made publicly available.

HUD will share outcomes and make resources publicly available as quickly as possible in order to accelerate efforts to prevent and end youth homelessness nationally. In addition, HUD, and to the extent possible its federal partners, will work to accelerate HUD's learning related to youth and the concepts of Housing First, assessment and prioritization, coordinated entry, risk and protective factors for youth homelessness, diversion from child welfare and systems of justice, success in education and employment, serving victims of violence including trafficking, LGBTQ youth, youth under the age of 18, and pregnant and parenting teens, and system performance measures. HUD recognizes that there are promising strategies concerning these concepts but limited evidence to support replication of best practices. Given the importance of advancing our understanding in this particular topic area, HUD is very interested in communities that will commit to focusing attention on these issues.

After the application submission deadline in November 2016, HUD will take 3 months to assess the applications and select communities (at which point “applicants” become “selected communities”). HUD will also allocate to each selected community an amount which may be awarded for projects selected through the process described in Appendix A. The amount allocated for each selected community will be equal to a minimum of \$1,000,000 plus a percentage of the remaining \$23,000,000 based on the percentage of all youth among all selected communities that reside in each selected community and the poverty rate of each community. It is important to note that the selected community may or may not be the entire geographical area of the CoC (see Section III.C.3.a. for target area selection information).

Once HUD announces the selected communities, the following timeline will apply:

- CoCs will have 6 months to submit a coordinated community plan, and up to 6 additional months to address comments from HUD.
- During plan development, applicants will have access to apply for projects on a rolling basis equivalent to the value of 30 percent of the total allocated to the community.
- The remaining 70 percent will become available once a coordinated community plan is approved by HUD – See Section III.C.3.b for more information.
- Finally, communities will be expected to fully participate in the national evaluation activities conducted by HUD beginning no earlier than the announcement of community selection.

2. Changes from Previous NOFA.

Not Applicable.

3. Definitions.

a. Eligibility Requirements – Eligibility requirements are those requirements that must be met for an application to be eligible for funding. Deficiencies in meeting an eligibility requirement may be categorized as either curable or non-curable.

b. Threshold Requirement – Threshold requirements are a category of eligibility requirements. A threshold requirement is a requirement that must be met in order for an application to be reviewed. Threshold requirements are not curable.

Threshold requirements are listed in Section III.C.1 of this Program NOFA.

Applicants must ensure their application package addresses all threshold requirements. Please check your application carefully!

c. Deficiency – Deficiencies are not the same as errors. Errors are never curable except as permitted under Section IV.D.4.

Deficiencies are items of missing or omitted information within a submitted application. Deficiencies typically involve missing documents, information on a form, or some other type of unsatisfied information requirement (e.g., an unsigned form, unchecked box, etc.). Depending on specific criteria, deficiencies may be either curable or non-curable.

d. Curable Deficiency – A curable deficiency is a specific type of deficiency that applicants may correct with timely action. To be curable the deficiency must:

- Not be a threshold requirement;
- Not influence how an applicant is ranked or scored versus other applicants; and
- Be remedied within the time frame specified in the notice of deficiency.

e. Non-Curable Deficiency – An applicant cannot correct a non-curable deficiency after the submission deadline. Non-curable deficiencies are deficiencies that if corrected would change an applicant’s score or rank versus other applicants. Non-curable deficiencies may result in an application being marked ineligible, or otherwise adversely affect an application’s score and final determination.

f. Collaborative Applicant - the eligible entity that has been designated by the CoC during the FY 2016 CoC Program Registration Process to apply for a grant for CoC planning funds on behalf of the CoC. The Collaborative Applicant must be the “Applicant” for each community applying for participation in the demonstration and if selected, represents the “selected community” during the demonstration and is the party responsible for meeting demonstration requirements. In cases where the CoC needed to change the Collaborative Applicant and that change was approved after this NOFA was published but before the deadline for submissions, that approved replacement Collaborative Applicant is the eligible applicant for this NOFA.

g. Community - Self-organized network of people in a defined geographic area with common agenda, cause, or interest, who collaborate by sharing ideas, information, and other resources. The community must be within geographic boundary of the CoC.

h. Continuum of Care (CoC) – the group organized to carry out the responsibilities required under 24 CFR 578 and that is composed of representatives of organizations, including nonprofit homeless providers, victim service providers, faith-based organizations, governments, businesses, advocates, public housing agencies, school districts, social service providers, mental health agencies, hospitals, universities, affordable housing developers, law enforcement, organizations that serve homeless and formerly homeless veterans, and homeless and formerly homeless persons to the extent these groups are represented within the geographic area and are available to participate.

i. Geographic Area - a State, metropolitan city, urban county, town, village, or other nonentitlement area, or a combination or consortia of such, in the United States, as described in section 102 of the Housing and Community Development Act of 1974 (42 U.S.C. 5302).

j. Housing First - a model of assistance that prioritizes rapid placement and stabilization in permanent housing that does not have service participation requirements or preconditions (such as sobriety or a minimum income threshold). Transitional housing and supportive service only projects can be considered to be using a housing first model for the purposes of this NOFA if they operate with low-barriers, work to quickly move people into permanent housing, do not require participation in supportive services, and, for transitional housing projects, do not require any preconditions for moving into the transitional housing (e.g., sobriety or minimum income threshold).

k. Project Applicant – an eligible applicant as defined in section 578.3 of the CoC Program interim rule that is designated by the CoC to apply for assistance under the YHDP and is a private non-profit organization, State, local government, or instrumentality of State and local government.

l. Recipient - Recipient means an applicant that has signed a grant agreement with HUD.

m. Rural community – a county that:

- has no part of it within an area designated as a standard metropolitan statistical area (MSA) by the Office of Management and Budget; or
- is within an area designated as a metropolitan statistical area or considered as part of a metropolitan statistical area and at least 75 percent of its population is located on U.S. Census blocks classified as non-urban; or
- is located in a State that has population density of less than 30 persons per square mile (as reported in the most recent

decennial census), and of which at least 1.25 percent of the total acreage of such State is under Federal jurisdiction, provided that no metropolitan city in such State is the sole beneficiary of the grant amounts awarded under 24 CFR 579.

n. Youth - Persons aged 24 and younger.

- Unaccompanied Youth - persons who are age 24 or younger, who are not part of a family with children, and who are not accompanied by their parent or guardian during their episode of homelessness. This also includes two or more youth age 24 or younger who are presenting together as a family without children.
- Pregnant or Parenting Youth- persons who are 24 and younger who are the parents or legal guardians of one or more children who are present with or sleeping in the same place as that youth parent, or who are pregnant.
- Transition Age Youth -- persons between age 18 and 24 who are transitioning from childhood to adulthood.

o. *Youth Advisory Board.* A group of youth (of at least 3 members), age 24 and younger, at least 2/3 of whom are homeless or formerly homeless, that are included in policy making decisions of the CoC, particularly on policies that relate to preventing and ending youth homelessness.

B. Authority.

The FY 2016 funds for the YHDP were authorized by the Consolidated and Further Continuing Appropriations Act, 2016 (Public Law 114-113, approved December 18, 2015) (the “FY 2016 HUD Appropriations Act). Projects awarded under the Youth Homelessness Demonstration Program (YHDP) may be eligible for renewal under the Continuum of Care (CoC) Program when the initial grant term expires. The CoC Program is authorized by subtitle C of title IV of the McKinney- Vento Homeless Assistance Act, (42 U.S.C. 11381–11389) (the Act), and the CoC Program regulations are found in 24 CFR part 578 (the CoC Program interim rule).

II. Award Information.

A. Available Funds.

HUD is making available approximately **\$33,000,000** through this NOFA for Youth Homelessness Demonstration Program.

Additional funds may become available for award under this NOFA as a result of HUD's efforts to recapture unused funds, use carryover funds, or because of the availability of additional appropriated funds. Use of these funds is subject to statutory constraints. All awards are subject to the applicable funding restrictions described in the General Section and to those contained in this NOFA.

B. Number of Awards.

HUD expects to make approximately 10 awards from the funds available under this NOFA.

A Collaborative Applicant can apply on behalf of more than one community - however, HUD will not select more than one community within the entire CoC’s geographic area.

C. Minimum/Maximum Award Information.

Each selected community will be eligible to apply to receive a minimum of \$1 million. There is no limit to the number of projects for which a community can apply. For example, a selected community could apply for \$1 million for one project or \$100,000 each for 10 projects.

The remaining appropriated funds will be made available to the selected communities based on a formula that accounts for the number of youth in each community ages 10 to 24. Each selected community will be able to apply for and be selected by HUD to receive awards for projects for up to 30 percent of their potential funding immediately after the announcement of the selected communities and the remaining balance will be available after HUD has approved a community’s coordinated community plan (See “Developing a Coordinated Community Plan” in Section III.C.3.b.). The maximum possible award is determined based on the communities that are selected according to the following formula:

Community Award = \$1,000,000 + [(Community Population Age 10 to 24 * Community Poverty Rate Age 12 to 24) ÷ (Sum of (Community Population Age 10 to 24 x Community Poverty Rate Age 12 to 24) for all 10 Communities) x \$23,000,000

(US Census data uses different age ranges for population and poverty rate.)

Estimated Total Funding:	\$33,000,000
Minimum Award Amount:	\$1,000,000 Per Budget Period
Maximum Award Amount:	\$15,000,000 Per Budget Period

D. Period of Performance.

Selected communities may apply on a rolling basis for project grants designed to implement the coordinated community plan to prevent and end youth homelessness immediately following the community selection announcement and up until August 1, 2018 or until such time as the community ceases to participate or the available funds have been depleted (whichever is earlier). Public Law No: 114-113 requires HUD to obligate YHDP funds by September 30, 2018. Obligated funds remain available for expenditure until September 30, 2023. Grant terms, and associated grant operations, may not extend beyond the availability of funds. Applicants must plan accordingly and only submit applications that can start operations in a timely manner with sufficient time to complete the post award process and the awarded grant term.

All grants for projects will be for a 2-year grant term, with the exception of CoC planning projects which will be for a one year grant term and are non-renewable. Projects may be eligible for 1 year renewal terms after the initial grant term expires beginning with the next CoC Program Competition. In the event that a community cannot successfully complete the development of a coordinated community plan or must otherwise withdraw from the demonstration, **HUD will reallocate the remaining balance to the other selected communities or to alternative communities if appropriate communities can be identified and sufficient funds are available**

Estimated Project Start Date:	04/03/2017
Estimated Project End Date:	04/02/2021
Length of Project Periods:	Other
Length of Project Periods Explanation of Other:	HUD will award projects for 2 year grant terms. These grants may then be eligible for renewal under the CoC Program Competition subject to the conditions of the Fiscal Year (FY) NOFA under which they apply for renewal. Planning projects are an exception; HUD will award them for a 1 year non-renewable grant term.

E. Type of Funding Instrument.

Funding Instrument Type:	Grant

a. Timely Submission of Applications – Applications submitted after the deadline stated within this NOFA and that do not meet the requirements of the grace period policy will be marked late. Late applications are deemed ineligible and will not be considered for funding. See also Section IV Application and Submission Information, part D.

b. Civil Rights Matters – Outstanding civil rights matters must be resolved prior to the application deadline.

(1) Applicants having any of the charges, cause determinations, lawsuits, or letters of findings referenced in subparagraphs (a) – (e) that have not been resolved to HUD's satisfaction before or on the application deadline date are ineligible for funding.

(a) Charges from HUD concerning a systemic violation of the Fair Housing Act or receipt of a cause determination from a substantially equivalent state or local fair housing agency concerning a systemic violation of a substantially equivalent state or local fair housing law proscribing discrimination because of race, color, religion, sex, national origin, disability or familial status;

(b) Status as a defendant in a Fair Housing Act lawsuit filed by the Department of Justice alleging a pattern or practice of discrimination or denial of rights to a group of persons raising an issue of general public importance pursuant to 42 U.S.C. 3614(a);

(c) Status as a defendant in any other lawsuit filed or joined by the Department of Justice alleging a pattern or practice or systemic violation of Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974, Title II of the Americans with Disabilities Act, or a claim under the False Claims Act related to fair housing, nondiscrimination, or civil rights generally including an alleged failure to affirmatively further fair housing;

(d) Receipt of a letter of findings identifying systemic noncompliance with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974; or Title II of the Americans with Disabilities Act; or

(e) Receipt of a cause determination from a substantially equivalent state or local fair housing agency concerning a systemic violation of provisions of a state or local law prohibiting discrimination in housing based on sexual orientation, gender identity, or lawful source of income.

(2) HUD will determine if actions to resolve the charge, cause determination, lawsuit, or letter of findings taken before the application deadline date are sufficient to resolve the matter. Examples of actions that may be considered sufficient to resolve the matter include, but are not limited to:

(a) Current compliance with a voluntary compliance agreement signed by all the parties;

(b) Current compliance with a HUD-approved conciliation agreement signed by all the parties;

(c) Current compliance with a conciliation agreement signed by all the parties and approved by the state governmental or local administrative agency with jurisdiction over the matter;

(d) Current compliance with a consent order or consent decree; or

(e) Current compliance with a final judicial ruling or administrative ruling or decision.

c. Ineligible Applicants. HUD will not consider an application from an ineligible applicant. Applications for community selection must be completed by a CoC's Collaborative Applicant. Project applications must be completed by an eligible project applicant or the Collaborative Applicant.

d. Youth Advisory Board (YAB). The CoC must confer with a YAB, or youth advisory committee, concerning the development of the community's application for the YHDP and the details therein. The YAB members must be youth age 24 and under, the YAB must have full membership or be a formal committee within the CoC, and the CoC must commit to including the YAB's members as participants in the review of the CoC's coordinated community plan to prevent and end youth homelessness. The Collaborative Applicant must attach a letter signed by an authorized representative from the YAB and the Collaborative Applicant confirming compliance with the requirements listed above. If the CoC does not currently have a YAB, it can create a YAB for the purposes of this NOFA.

e. Public Child Welfare Agency (PCWA). The CoC must include the state or local PCWA as a CoC member and must confer with the PCWA concerning the development of the community's application for the YHDP and the details herein. The PCWA is the governmental entity that has care, custody and responsibility for children in foster care and is responsible for the provision of services and support to youth who have left foster care after age 18 to age 21. The CoC must attach verification of the applicable state or local PCWA's membership in the CoC via a Memorandum of Understanding (MOU) between the agency and the CoC that outlines the PCWA's commitment to and participation in the YHDP. As applicable, the MOU or letter of support should include a list of the child welfare service providers under contract with the PCWA and their commitment and participation in the YHDP.

2. Statutory and Regulatory Requirements.

a. Compliance with Nondiscrimination and Related Requirements.

Compliance with Fair Housing and Civil Rights Laws.

Applicants and their prospective subrecipients must comply with all applicable fair housing and civil rights requirements in 24 CFR 5.105(a), including, but not limited to, the Fair Housing Act; Title VI of the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973; Title II and Title III of the Americans with Disabilities Act of 1990; and Section 109 of the Housing and Community Development Act of 1974. Applicants, and their prospective subrecipients, who are conducting programs or activities within a state or local jurisdiction that has passed a law prohibiting discrimination in housing based upon sexual orientation or gender identity, or a law prohibiting discrimination in housing based on lawful source of income, must comply with the law(s) of the state or locality in which the program activities are conducted.

HUD notes that pregnant or parenting youth may not be excluded from service, because excluding families with children would violate the Fair Housing Act. Thus, any pregnant or parenting youth who otherwise meets the definition of youth must be served by the grantee without regard to the subpopulation it chooses to serve.

See Section V.C.1 of the FY 2016 General Section.

Affirmatively Furthering Fair Housing.

Section 808(e)(5) of the Fair Housing Act requires HUD to affirmatively further the purposes of the Fair Housing Act in its housing and urban development programs. Accordingly, HUD requires recipients of funds that are not specifically exempted to take affirmative steps to further fair housing. An applicant must discuss how it is going to carry out the proposed activities in a manner that affirmatively furthers fair housing in complete compliance with Section 808(e)(5) of the Fair Housing Act.

In addition, 24 CFR 578.93(c) requires recipients to implement its programs in a manner that affirmatively furthers fair housing, which means that the recipient must: (1) Affirmatively market their housing and supportive services to eligible persons regardless of race, color, national origin, religion, sex, age, familial status, or handicap who are least likely to apply in the absence of special outreach, and maintain records of those marketing activities; (2) Where a recipient encounters a condition or action that impedes fair housing choice for current or prospective program participants, provide such information to the jurisdiction that provided the certification of consistency with the Consolidated Plan; and (3) Provide program participants with information on rights and remedies available under applicable federal, State and local fair housing and civil rights laws.

b. HUD Agency Wide or Federal Government Wide Requirements.

(1) Outstanding Delinquent Federal Debts – It is HUD policy, consistent with the purposes and intent of 31 U.S.C. 3720B and 28 U.S.C. 3201(e), that applicants with outstanding delinquent federal debt will not be eligible to receive an award of funds, unless:

- (a) A negotiated repayment schedule is established and the repayment schedule is not delinquent, or
- (b) Other arrangements satisfactory to HUD are made prior to the award of funds by HUD. If satisfactory arrangements cannot be completed within 90 days of notification of selection, HUD will not make an award of funds to the applicant, and instead offer the award to the next eligible applicant. HUD may act earlier than the above stated 90 days to ensure, in HUD's determination, that the funds can be obligated in a timely manner. Applicants selected for funding, or awarded funds, must report any changes in status of current agreements covering federal debt. HUD may withhold funding, terminate an award, or seek other remedies from a grantee if a previously agreed-upon payment schedule has not been followed or a new agreement with the federal agency to which the debt is owed has not been signed.

(2) Pre-Award Accounting System Survey – HUD will not award or disburse funds to applicants that do not have a financial management system that meets federal standards. HUD may arrange for a pre-award survey of any such financial management system for applicants selected for award who have not previously received federal financial assistance, where HUD Program officials have reason to question whether a financial management system meets federal financial management standards, or for applicants considered high risk based upon past performance or financial management findings.

(3) Debarments and/or Suspensions – In accordance with 2 CFR part 2424, no award of federal funds may be made to debarred or suspended applicants, or those proposed to be debarred or suspended from doing business with the Federal Government.

(4) False Statements – A false statement in an application is grounds for denial or termination of an award and possible punishment, as provided in 18 U.S.C. 1001.

(5) Do Not Pay Website Review – As part of the Improper Payments Elimination and Recovery Improvement Act (IPERIA) of 2012, in making funding determinations HUD will look up applicant information on the Federal website <http://www.donotpay.treas.gov/>. The Do Not Pay Portal is intended to prevent improper payments and can be used by HUD to ensure that applicants that receive funding do not owe funds to the federal government; are not on the Excluded Parties List System (EPLS); the List of Excluded Individuals/Entities List (LEIE); the Social Security Administration (SSA) Death Master File (DMF); or other federal databases that would provide adverse information regarding the applicant. HUD reserves the right to:

(a) Deny funding, or in the case of a renewal or continuing award, consider suspension or termination of an award immediately for cause,

(b) Require the removal of any key individual from association with management or implementation of the award, and

(c) Make appropriate provisions or revisions with respect to the method of payment or financial reporting requirements.

(6) Conducting Business in Accordance with Ethical Standards/Code of Conduct – Applicants are required to develop and maintain a written code of conduct in accordance with 2 CFR 200.112 and 200.318. Codes of conduct must prohibit real and apparent conflicts of interest that may arise among officers, employees, or agents; prohibit the solicitation and acceptance of gifts or gratuities by officers, employees, or agents for their personal benefit in excess of minimal value; and outline administrative and disciplinary actions available to remedy violations of such standards.

Pursuant to applicable Federal and HUD regulations, applicants must disclose in writing any potential conflict of interest and all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award. Before entering into an agreement with HUD, applicants selected to receive funding under a Program NOFA must submit an up-to-date copy of their code of conduct. Applicants with codes already on file with HUD do not need to resubmit a new code unless the information on file has changed. New or updated submissions must be dated and signed by the Executive Director, or Chair, or equivalent official, of the governing body of the organization. Applicants must also describe the methods to be used to ensure that all officers, employees, and agents are aware of and have agreed to adhere to the code of conduct.

(7) Conflict of Interest of Consultants or Technical Experts Assisting HUD – Consultants and technical experts who assist HUD in rating and ranking applications for funding under published FY 2016 Program NOFAs are subject to 18 U.S.C. 208, the federal criminal conflict-of-interest statute, and the Standards of Ethical Conduct for Employees of the Executive Branch regulation published at 5 CFR part 2635. As a result, consultants and technical experts who have assisted or plan to assist applicants with preparing applications for FY 2016 Program NOFAs may not serve on a selection panel and may not serve as a technical advisor to HUD. Anyone involved in rating and ranking FY 2016 Program NOFA applications, including departmental staff, experts and consultants must avoid conflicts of interest or the appearance of such conflicts. These individuals must also disclose to HUD's Office of General Counsel Ethics Law Division the following information, if applicable:

(a) How the selection or non-selection of any applicant under a FY 2016 Program NOFA will affect the individual's financial interests as provided in 18 U.S.C. 208, or

(b) How the application process involves a party with whom the individual has a covered relationship under 5 CFR 2635.502. The consultant or technical expert assisting HUD must disclose this information before participating in any matter regarding an FY 2016 program NOFA. Applicants with questions regarding these provisions or concerning a conflict of interest, please call the Office of General Counsel, Ethics Law Division, at (202) 708-3815 (this is not a toll-free number). The phone number above may also be reached by individuals who are deaf or hard of hearing, or who have speech disabilities, through the Federal Relay Service's teletype service at 1-800-877-8339.

(8) Prohibition Against Lobbying Activities – Applicants are subject to the provisions of Section 319 of Public Law 101-121, 31 U.S.C. 1352, (the Byrd Amendment) and 24 CFR part 87, which prohibit recipients of federal contracts, grants, or loans from using appropriated funds for lobbying the executive or legislative branches of the Federal Government in connection with a specific contract grant, loan, or cooperative agreement. In addition, applicants must disclose, using Standard Form LLL (SFLLL), "Disclosure of Lobbying Activities," any funds, other than federally appropriated funds, that will be or have been used to influence federal employees, members of Congress, or congressional staff regarding specific grants or contracts. Federally-recognized Indian tribes and tribally

designated housing entities (TDHEs) established by federally-recognized Indian tribes as a result of the exercise of the tribe’s sovereign power are excluded from coverage of the Byrd Amendment, but state-recognized Indian tribes and TDHEs established only under state law shall comply with this requirement. Applicants must submit the SFLLL if they have used or intend to use non-federal funds for lobbying activities.

(9) Consistency with the Consolidated Plan and Analysis of Impediments (AI)/Assessment of Fair Housing – Certain competitive Programs require applications to contain a certification of consistency with a HUD-approved Consolidated Plan. This certification means that the proposed activities are consistent with the jurisdiction’s strategic plan, and the location of the proposed activities is consistent with the geographic areas specified in the Consolidated Plan. The Consolidated Plan also includes the jurisdiction’s certification to affirmatively further fair housing which means, among other requirements, that the jurisdiction has conducted an AI/Assessment of Fair Housing. If a program NOFA requires a certification of consistency with the Consolidated Plan and you fail to provide the certification, and you do not cure the omission as a technical deficiency, HUD will not fund the application. Under HUD’s regulations at 24 CFR 91.2(d), an applicant’s PHA Plan must include a certification by the appropriate state or local official that the PHA Plan is consistent with the applicable Consolidated Plan for the jurisdiction in which the PHA is located and must describe the manner in which the applicable contents of the PHA Plan are consistent with the Consolidated Plan. To the extent that a proposal funded under this NOFA is addressed or should be addressed in the PHA Plan, it must be certified to be consistent with the Consolidated Plan.

3. Program Specific Requirements.

a. Identifying a Target Community Area.

Applicants have the option of identifying the entire geographic area within the CoC as the Demonstration community or designating a smaller area that includes a single community or group of communities within the CoC’s geographic area as the Demonstration community. In addition, the CoC can designate the application as a **rural community application**, competing for the 4 reserved rural community selection availabilities. If a community decides to submit two applications, one for the rural communities within the CoC and one for the non-rural areas or the entire CoC, HUD will consider both applications independently but will only select one community per CoC. In general, HUD will select the highest scoring application of the two; however, HUD reserves the right to select the lower scoring application if there are no other qualifying applications in the competition group (rural or non-rural) or if the next qualifying application in that group is lower in quality by a significant degree.

In addition, HUD has determined that geographic diversity is an appropriate consideration in selecting communities for this Demonstration. To this end, HUD reserves the right to fund eligible communities with the highest total score in each of the 10 HUD regions. In making this determination, HUD will also consider the size of the overall population to ensure that urban, suburban, and rural communities are selected. Applicants are required to respond to the questions listed in Section V.A.1 regarding their proposed target area for the Demonstration. Eligibility as a **Rural Community** will be determined based on the geographic area selected in the SF-424 and youth population size and poverty rate will be verified using federal census data.

b. Develop a Coordinated Community Plan

A central requirement of the Demonstration is that each selected community will develop a coordinated community plan to prevent an end youth homelessness. HUD has designed the Demonstration to allow for up to 6 months of initial planning together with a significant level of direct HUD technical assistance and up to 6 months of additional time for HUD feedback and plan edits. The planning process is expected to lay the ground work for implementation and provide a framework for the various projects that the Collaborative Applicant will request HUD to fund within the selected community. The plan submission will also impact the availability of funding for selected communities, as HUD will only allow project applications of up to 30 percent of the selected community's available award until a coordinated community plan has been submitted to and approved by HUD.

HUD will only approve of a coordinated community plan that meets the threshold criteria, including whether the plan addresses the mandatory structural components and key HUD principles listed, below:

Mandatory Structural Components of a Coordinated Community Plan

A coordinated community plan must include the following structural components:

- A statement of need concerning at risk and homeless unaccompanied and pregnant or parenting youth in the geographic area;
- A list of partners, and a description of their involvement that includes representation from the following stakeholder groups to the greatest extent possible:

CoC and ESG Program Recipients	Local and State Law Enforcement and Judges
Public Child Welfare Agencies	Early Childhood Development and Child Care Providers

Youth Advisory Boards	Landlords
Local and State Government	Public Housing Authorities
Local and State Educational Agencies	Institutions of Higher Education
Runaway and Homeless Youth Program Providers	Community Development Corporations
Non-Profit Youth Organizations	Affordable Housing Developers
Juvenile and Adult Corrections and Probation	Local Advocacy, Research, and Philanthropic Organizations
Health, Mental Health, and Substance Abuse Agencies	Privately Funded Homeless Organizations
WIOA Boards and Employment Agencies	

- A shared vision, list of goals, objectives, and actions steps, including which partners are responsible for each action step;
- A list of new projects, to be funded by HUD and other sources that will support the implementation of the coordinated community plan;
- A governance structure, including an organizational chart and decision making process;
- A plan for continuous quality improvement during the implementation of the coordinated community plan;
- A signature page that includes the signatures of official representatives of *at least* the following systems:
 - The Continuum of Care
 - Public Child Welfare Agency
 - Local Government Agency
 - Youth Advisory Board

HUD Principles to Be Addressed in the Coordinated Community Plan

In order to be approved by HUD, a coordinated community plan must address how the following principles will be incorporated into the community's overall approach to preventing and ending youth homelessness as well as the individual interventions that support such an approach.

- *USICH Youth Framework and the Four Core*

Outcomes The coordinated community plan must demonstrate a commitment to the principles of the USICH Youth Framework to End Youth Homelessness published in 2012 and to its four core outcomes:

1. **Stable housing** includes a safe and reliable place to call home;
2. **Permanent connections** include ongoing attachments to families, communities, schools, and other positive social networks;
3. **Education/employment** includes high performance in and completion of educational and training activities, especially for younger youth, and starting and maintaining adequate and stable employment, particularly for older youth;
4. **Social-emotional well-being** includes the development of key competencies, attitudes, and behaviors that equip a young person to succeed across multiple domains of daily life, including school, work, relationships, and community; *and*

- *Special Populations.* USICH, together with its partner agencies, has identified several special populations that are especially vulnerable to homelessness and which have been shown to experience homelessness, including pathways to homelessness, in ways that are distinct from the general population of youth. For these vulnerable and often overrepresented young people, there is a need for identification methods, infrastructure considerations, housing and service-delivery that are specific to their needs. The coordinated community plan must identify and address the local impact of homelessness on these subpopulations and specifically address how the system will meet the needs of lesbian, gay, bisexual, transgender, and questioning (LGBTQ) youth; minors (under the age of 18), pregnant and parenting youth; youth involved with juvenile justice and foster care systems; and victims of sexual trafficking and exploitation; *and*

- *Positive Youth Development (PYD)*[\[1\]](#) *and Trauma Informed Care (TIC)*[\[2\]](#). Both PYD and TIC are accepted best practices in housing and service delivery for youth and include principles and service frameworks endorsed by many branches of the federal government, including HUD, the US Department of Health and Human Services (HHS), and the US Department of Education (Ed). The coordinated community plan must address how PYD and TIC will be incorporated into all aspects of the youth crisis response system; *and*

- *Family engagement.* HUD believes that the best outcome for young people is to never have to engage with crisis response resources. Further, HUD believes that the best diversion and intervention strategy is to engage families, whenever appropriate, through community partnerships with organizations such as child welfare agencies, schools, youth providers, and other community human services and homeless services providers. The coordinated community plan must address family engagement strategies and services designed to strengthen, stabilize, and/or reunify families. Potential services include family counseling, conflict resolution, parenting supports, relative or kinship caregiver resources, targeted substance abuse and mental health

treatment, etc.; *and*

- *Immediate access to housing with no preconditions*: Housing is a cornerstone for meeting a multitude of basic needs necessary for success. Young people should be provided with rapid access to safe, secure and stable housing that meets their needs as quickly as possible, without the condition that they are ‘ready’ for housing. The coordinated community plan must address how all youth will be offered immediate access to safe, secure and stable housing with no preconditions; *and*
- *Youth choice*: The capacity for self-determination may be a critical factor in obtaining many positive outcomes for Transition Age Youth (Carter, Lane, Pierson, & Stang, 2008), [3] and is closely related to the principles of PYD. Consistent with federal youth policy, allowing youth to exercise self-determination is a youth centered approach that values youths’ expressed needs, self-awareness, and community knowledge. This youth-centered approach emphasizes youth choice in terms of the kind of housing youth need and the extent and nature of supports and services they access, and promotes presenting alternative options for youth who avoid programs with barriers like sobriety or abstinence. The coordinated community plan must address how youth choice will be integrated into all aspects of the youth crisis response system; *and*
- *Individualized and client--driven supports*: The coordinated community plan must acknowledge that the needs of the young people to be served will be unique. Housing and support packages that help prevent and end homelessness among youth must recognize and respond to individual differences across individuals in order to serve them appropriately and efficiently. Communities must design the system flexibly in order to accommodate individuals with both high and low service needs, as well as the need for short-term or long-term supports. The coordinated community plan must address how the youth crisis response system will provide individualized and client driven supports; *and*
- *Social and community integration*: The goal of youth homelessness services should be a successful transition to adulthood, including the successful integration into a community as a positive contributing community member. To accomplish this requires the community to provide socially supportive engagement and the opportunity for youth to participate in meaningful community activities; [4] *and*
- *Coordinated entry*. Coordinated entry processes are necessary components of a high functioning crisis response system and must be developed intentionally to incorporate youth. The coordinated community plan must address how the CoC will ensure that the coordinated entry process is youth appropriate.

Plan Submission, HUD Review, and Release of Full Funding

The coordinated community plan must be submitted electronically to YouthDemo@hud.gov no later than 6 months after announcement of the selected communities. HUD will review each plan and provide feedback within 4 weeks of submission. HUD reserves the right to reject a plan and require resubmission if the plan does not meet the requirements described above. Upon rejection, the applicant will be allowed to resubmit as many times as is necessary to obtain approval until 12 months from announcement of the selected communities. Before plan approval, communities will only be able to apply for 30 percent of their available funds for projects. Once a plan has been approved by HUD, communities may submit project applications for the remaining 70 percent of their available funds.

If HUD has not approved a plan received before the deadline of 12 months after the announcement of the selected communities, the selected community will lose access to all of its remaining funding. Funding that has already been obligated for projects will continue to be available for those projects only.

IV. Application and Submission Information.

A. Obtaining an Application Package

An electronic copy of the Application Package and Application Instructions for this NOFA can be downloaded from Grants.gov at <http://www.grants.gov/applicants/apply-for-grants.html>. Except for Continuum of Care applications, or unless an applicant received a waiver for good cause, all applications must be submitted electronically via Grants.gov. The Continuum of Care application is submitted through HUD's e-snaps system.

An applicant demonstrating good cause may request a waiver from the requirement for electronic submission. For example, a lack of available Internet access in the geographic area in which the applicant's business offices are located. Applicants that cannot submit their applications electronically and must seek a waiver of the electronic grant submission requirements must submit a waiver request so that the request is received at least 15 days before the application deadline. If HUD waives the requirement, HUD must receive your paper application before the deadline of this NOFA. To request a waiver and receive a paper copy of the application materials, you should contact:

Ebony Rankin

Email: YouthDemo@hud.gov

US Department of Housing and Urban Development

Office of Special Needs Assistance Programs

451 7th Street SW

Washington, DC 20410

Applicants requesting a waiver should submit their waiver requests via e-mail to YouthDemo@hud.gov. The subject line should contain the name of the applicant and 'Request for Waiver of Electronic Submission for Youth Demo'.

2. Format and Form.

Narratives and other attachments to your application must follow the following format guidelines.

The application will be comprised of narrative exhibits and required attachments. The narratives will respond to thresholds, rating factors, and other criteria in the NOFA as indicated below. **Applicants should number their narrative responses to correspond to the numbering in Section V.A.1.** The narrative will be a maximum of 30 pages and needs to comply with the following format:

- Double-space your narrative exhibit pages. Single-spaced pages will be counted as two pages;
- Use 8-1/2 x 11-inch paper;
- All margins should be approximately one inch. If any margin is smaller than 1/2 inch, the page will be counted as two pages;
- Use 12-point, Times New Roman font;
- Any pages marked as sub-pages (e.g., with numbers and letters such as 25A, 25B, 25C), will be treated as separate pages;
- If a section is not applicable, indicate "N/A" so that there is a clear indication to HUD (do not just leave the section blank);
- No more than one page of text may be placed on one sheet of paper; i.e., you may not shrink pages to get two or more on a page. Shrunken pages, or pages where a minimized/reduced font are used, will be counted as multiple pages;
- Do not format your narrative exhibits in columns. Pages with text in columns will be counted as two pages;
- Any tables included in the narrative exhibits of the application must also be double spaced or they will be counted twice;
- All pages should be numbered. HUD recommends that applicants consecutively number the pages of the Attachments section to ensure proper assembly of their application if printed;
- Attachments will not count toward the 30 page maximum.

There is no minimum length required for narratives. HUD will review only the first 30 pages of narrative (not including attachments). Any responses after 30 pages will not be considered for scoring for this competition.

C. System for Award Management (SAM) and Dun & Bradstreet Universal Numbering System (DUNS) Number.

1. SAM Registration Requirement.

Applicants must be registered with SAM before submitting their application. In addition, applicants must continue to maintain an active SAM registration with current information at all times during which they have an active Federal award or an application or plan under consideration by HUD.

2. DUNS Number Requirement.

Applicants must provide a valid DUNS number in their application. DUNS numbers may be obtained for free at <http://fedgov.dnb.com/webform>.

D. Application Submission Dates and Times.

The application deadline is 11:59:59 p.m. Eastern time on **11/30/2016**. Applications must be received no later than the deadline.

Submit your application to Grants.gov unless a waiver has been issued allowing you to submit your application in paper form or you are applying for the Continuum of Care program. The Continuum of Care application is submitted through HUD's e-snaps system. Instructions for submitting your application to Grants.gov are contained within the Application Package you downloaded from Grants.gov. Instructions for submitting your paper application will be contained in the waiver of electronic submission.

Your application must be both **received and validated** by Grants.gov. Your application is "received" when Grants.gov provides you a confirmation of receipt and an application tracking number. **If you do not see this confirmation and tracking number, your application has not been received.**

After your application has been received, your application still must be validated by Grants.gov. During this process, your application may be "validated" or "rejected with errors." To know whether your application was rejected with errors and the reason(s) why, you must log into Grants.gov, select "Applicants" from the top navigation, and select "Track my application" from the drop-down list. If the status is "rejected with errors," you have the option to correct the error(s) and resubmit your application before the Grace Period ends. **If your application was "rejected with errors" and you do not correct these errors, Grants.gov will not send your application to HUD, and HUD will not review your application.** If your status is "validated" your application will be forwarded to HUD by Grants.gov.

1. Amending or Resubmitting an Application.

Before the submission deadline, applicants who choose to amend an application that has been validated by Grants.gov may resubmit a revised application containing the new or changed material. The resubmitted application must be received by the applicable deadline.

2. Grace Period for Grants.gov Submissions.

If an application is received by Grants.gov before the deadline, but is rejected with errors, applicants have a grace period of 24 hours beyond the application deadline to submit a corrected application that is received and validated by Grants.gov. Any application submitted during the grace period that does not meet the criteria above will not be considered for funding. There is no grace period for paper applications.

3. Late Applications.

An application received after the Program NOFA deadline date that does not meet the requirements of the grace period policy will be marked late, and will not be considered for funding.

4. Corrections to Deficient Applications.

Except as provided by the electronic submission grace period described in this notice, HUD may not consider any unsolicited information that applicants may want to provide after the application deadline. (Refer to 24 CFR part 4, subpart B.) In addition, HUD may not seek clarification of items or responses that improve the substantive quality of an applicant's response to any rating factors or which correct deficiencies which are in whole or part of a rating factor, including items that impact bonus points. HUD may contact the applicant to clarify other items in its application. In order not to unreasonably exclude applications from being rated and ranked in situations where there are curable deficiencies, HUD will notify applicants of each technical deficiency and will do so on a uniform basis.

If HUD finds a curable deficiency in an application, HUD will notify the applicant by email describing the clarification or technical deficiency. HUD will send an email to the person designated in item 8F of the SF424 and to the person listed as the authorized representative in item 21 of the SF424. Both email notifications will be sent from HUD with confirmation of delivery receipt requested. The email notifications will be the official notification of the need to cure a technical deficiency. It is the

responsibility of applicants to provide accurate email addresses for receipt of these notifications and to monitor their email accounts to determine whether a cure letter has been received. The applicant must carefully review the request for cure of a technical deficiency and must provide the response in accordance with the instructions contained in the deficiency notification.

Clarifications or corrections of technical deficiencies must be received by HUD within the time limits specified in the notification. In no case shall the time allowed to correct deficiencies exceed 14 calendar days or be less than 48 hours from the date of the email notification. The start of the cure period will be the date stamp on the email HUD sends to the applicant. If the deficiency cure deadline date falls on a Saturday, Sunday, federal holiday, or other day when HUD's Headquarters offices in Washington, DC, are closed, then the applicant's correction must be received on the next day that is not a Saturday, Sunday, or federal holiday, or other day when the HUD's Headquarters offices in Washington, DC, are closed.

Curable deficiency items must be submitted via email addressed to ApplicationSupport@hud.gov. When submitting technical deficiency cure items you must enter "Technical Cure" plus the Grants.gov application tracking number in the subject line of the email (e.g., Subject: Technical Cure - GRANT123456). If this information is not included, HUD will not be able to match the response to the application under review and the application may therefore be rejected due to the deficiency.

Corrections to a paper application should be sent in accordance with and to the address indicated in the notification of deficiency. HUD will treat a paper application submitted in accordance with a waiver of electronic application that contains the wrong DUNS number as having a technical deficiency. Failure to correct the deficiency and meet the requirement to have a DUNS number and active registration in SAM will render the application ineligible for funding.

E. Intergovernmental Review.

This program is not subject to Executive Order 12372, Intergovernmental Review of Federal Programs.

F. Funding Restrictions.

Not Applicable

Indirect Cost Rate

Indirect Cost Rate: No restrictions, applicants may use their negotiated rate or the *de Minimis* rate (10% of Modified Total Direct Costs).

G. Other Submission Requirements.

1. Discrepancies between the NOFA on Grants.gov and Other Documents.

The Program NOFA posted at the Grants.gov website is the official document HUD uses to solicit applications. Applicants are advised to review their application submission against the requirements in the posted Program NOFA. If there is a discrepancy between the Program NOFA posted on Grants.gov and other information provided in any other copy or version or supporting documentation, the posted Program NOFA located at www.Grants.gov prevails. If discrepancies are found, please notify HUD immediately by calling the program contact listed in the Program NOFA. HUD will post any corrections or changes to a Program NOFA on the Grants.gov website. Applicants who enroll an email address at the application download page will receive an e-mail alert from Grants.gov in the event the opportunity is changed.

2. Application Certifications and Assurances.

Applicants signing the SF424 cover page either through electronic submission or in paper copy submission (for those granted a waiver) affirm that the certifications and assurances associated with the application are material representations of the facts upon which HUD will rely when making an award to the applicant. If it is later determined that the signatory to the application submission knowingly made a false certification or assurance or did not have the authority to make a legally binding commitment for the applicant, the applicant may be subject to criminal prosecution, and HUD may terminate the award to the applicant organization or pursue other available remedies. Each applicant is responsible for including the correct certifications and assurances with its application submission, including those applicable to all applicants, those applicable only to federally-recognized Indian tribes, and those applicable to applicants other than federally-recognized Indian tribes. All program-specific certifications and assurances are included in the program Instructions Download on Grants.gov.

3. Lead Based Paint Requirements

When providing housing assistance funding for purchase, lease, support services, operation, or work that may disturb painted surfaces, of pre-1978 housing, you must comply with the lead-based paint evaluation and hazard reduction requirements of HUD's lead-based paint rules (Lead Disclosure; and Lead Safe Housing (24 CFR part 35)), and EPA's lead-based paint rules (e.g., Repair, Renovation and Painting; Pre-Renovation Education; and Lead Training and Certification (40 CFR part 745)).

4. Indirect Cost Rate (ICR)

If you are a governmental organization or agency that receives more than \$35 million in federal funding, you are required to request an Indirect Cost Rate from your cognizant agency (2 CFR 200 Appendix VII). If you have not requested an indirect cost rate or have not received a negotiated indirect cost rate, you may not claim indirect costs until you receive a negotiated rate.

Non-governmental organizations: If your organization has never had an indirect cost rate and wishes to use the *de minimis* rate, your application's budget narrative must clearly state you intend to use the *de minimis* 10% of Modified Total Direct Costs (MTDC). If you are using a negotiated indirect cost rate, your application must clearly state the approved rate and distribution base and include a letter or other documentation from the cognizant agency showing the approved rate.

Governmental organizations: If your organization has a negotiated indirect cost rate, your application's budget narrative must include the rate and a letter or other documentation from the cognizant agency showing the negotiated rate. If your organization has prepared and maintains documentation supporting an indirect rate proposal but has not negotiated approval of the rate, your application's budget narrative must include the rate and applicable distribution base. State and local government departments that have never negotiated indirect cost rates with the Federal government and receive less than \$35 million in direct Federal funding per year may use the 10% *de minimis* indirect cost rate, and must keep the documentation of this decision on file. Federally recognized Indian tribes that have never negotiated an indirect cost rate with the Federal government may also use the 10% *de minimis* rate and must keep the documentation of this decision on file.

V. Application Review Information.

A. Review Criteria.

1. Rating Factors

Points are assigned for seven rating factors: Leadership Capacity, Current Resource Capacity, Community Need, Capacity for Innovation, Collaboration, Financial Resources, and Data and Evaluation Capacity. Describe your willingness and the willingness of the youth homelessness stakeholder community to engage in new project models and methodologies (i.e. creating new projects during the CoC program competition, creating new youth projects outside of the CoC program using a model currently not eligible in the CoC program).

Applicants must attach a youth system map, a visual representation of the local youth crisis response system, to submit with the application. Applicants are encouraged to be creative and should represent the systems, projects, people, and resources with which youth interact and how youth navigate through the many different spaces within your community, hopefully on their way to safe and stable housing. You may only submit one map that should be on one side of a physical sheet of paper or one digital page. It can be any physical or digital size, but HUD will only consider one page and will not consider multiple maps. Create a map of your system even if your community lacks critical components of a youth system. If you include aspirational elements that have not yet been implemented, clearly mark those parts of your system map that have not yet been developed. The map must include the Youth Advisory Board.

2. NOFA Priorities.

HUD encourages applicants for funding to undertake programs and projects that contribute to HUD's NOFA Priorities. Applicants that undertake activities that result in achievement of specific NOFA Priorities listed below are eligible to receive priority points in the rating of their application. These points will be awarded only if the application otherwise meets or exceeds the Program's minimum fundable score based on the rating factors of this NOFA.

Promote Health and Housing Stability of Vulnerable Populations

3. Bonus Points.

In support of certain inter-agency initiatives, HUD awards bonus points to projects where the preponderance of work will occur in a designated zone, community or region. **These points will be awarded only if the application otherwise meets or exceeds the Program's minimum fundable score based on the rating factors of this NOFA.**

Bonus points are not available for this program.

B. Reviews and Selection Process.

1. Past Performance

In evaluating applications for funding HUD will take into account an applicant's past performance in managing funds, including, but not limited to: the ability to account for funds appropriately; the timely use of funds received from HUD or other federal, state, or local programs; the timely submission and quality of reports submitted to HUD; meeting program requirements; meeting performance targets as established in Logic Models or other performance evaluation tools approved as part of the grant agreement; the timelines for completion of activities and receipt of promised matching or leveraged funds; and the number of persons to be served or targeted for assistance. Before making a Federal award, HUD is required by 31 U.S.C. 3321 and 41 U.S.C. 2313 note to review information available through any OMB-designated repositories of government-wide eligibility qualification or financial integrity information, such as Federal Awardee Performance and Integrity Information System (FAPIIS), Dun and Bradstreet, and "Do Not Pay." HUD may consider other public sources such as newspapers, Inspector General or Government Accountability Office reports or findings, or hotline or other complaints that have been proven to have merit. In evaluating past performance, HUD may deduct points from the rating score or establish threshold levels as specified under the Factors for Award in the Program NOFAs. Each Program NOFA will specify how past performance will be rated.

2. Integrity

HUD evaluates the integrity of the applicant as reflected in government-wide websites, information in HUD's files, the federal Do Not Pay portal, public information and information received during HUD's Name Check Review process. If this integrity evaluation results in an adverse finding, HUD reserves the right to take any of the remedies provided in Section III.C.4.a.5, Do Not Pay website Review.

3. Review Process. HUD staff, which may be assisted by staff from other federal agencies with experience related to homeless youth, coordinated community approaches to preventing and ending youth homelessness, and/or evidence-based interventions will review applications in two phases:

Phase 1: Threshold Eligibility Requirements. The application will be reviewed to determine whether it meets the threshold eligibility requirements in Section III.C.1 of this NOFA. Applicants who fail to meet all of the threshold eligibility requirements will be deemed ineligible. Applications from ineligible applicants will not be evaluated. Applications that do not

meet the threshold requirements are automatically ineligible for funding.

Phase 2: Application Scoring. If the applicant meets all threshold requirements, the application will be reviewed and scored using the selection criteria outlined in Section V.A.1 of this NOFA. After individual reviewers assign a score, each application will be paneled with an additional reviewer for a final score.

4. Selection Process

Ranked Order. Once final scores have been assigned, applications will be listed in ranked order. The amount awarded to applications will be determined according to the factors described in Section V.A.1 of this NOFA.

Selection of Successful Applicants. In addition to applicants' rank, the reviewer panel will also consider the geographic areas of the demonstration communities and different types of developed human settlements (urban, suburban, and rural). HUD reserves the right to limit the number of awards to no more than one community per CoC geographic area. HUD will make the final determination of selected communities.

5. Funding Decisions. Funding decisions will be made on project applications as described in Appendix A. In determining the amount that will be available to a selected community, HUD will take into consideration the amount of funds available; the applicant's current organizational capacity, where and when required, as presented in the application, including, among other things, the number, quality, and experience of their key personnel and the final score assigned to the application.

C. Anticipated Announcement and Award Dates.

HUD anticipates announcing community selections under this NOFA approximately 3 months after the application due date and project application awards approximately 1 month after application submission.

VI. Award Administration Information.

A. Award Notices.

Following the evaluation process HUD will notify successful applicants of their selection for funding. HUD will also notify all other applicants, whose applications were received by the deadline, that have not been chosen for award. Notifications will be sent by email, delivery receipt requested, to the person designated in item 8F of the SF424 and to the person listed as authorized representative in item 21 of the SF424.

B. Administrative, National and Department Policy Requirements.

For this NOFA, the following requirements apply:

Participation in a HUD-Sponsored Program Evaluation.

As a condition of the receipt of financial assistance under a Program NOFA, all successful applicants will be required to cooperate with all HUD staff, contractors, or designated grantees performing research or evaluation studies funded by HUD.

Environmental Requirements.

See Appendix A, Section IV, Other Requirements N. Environmental Requirements for information on the environmental review procedures required during the project evaluation process.

Prime financial assistance awardees receiving funds directly from HUD are required to report subawards and executive compensation information both for the prime award and subaward recipients, including awards made as pass-through awards or awards to vendors. For reportable subawards, if executive compensation reporting is required and subaward recipients' executive compensation is reported through the SAM system, the prime recipient is not required to report this information. The reporting of award and subaward information is in accordance with the requirements of the Transparency Act, as amended by section 6202 of Public Law 110-252, and by section 3 of Public Law 113-101.

C. Reporting.

1. Race and Ethnicity Data Reporting Form. HUD requires grantees that provide HUD-funded program benefits to individuals or families to report data on the race and ethnicity of those individuals receiving such benefits. Grantees that provide benefits to individuals during the period of performance, whether directly or through subrecipients or contractors, must report the data using the Race and Ethnic Data Reporting Form found on Grants.gov. The form is a data collection based on the standards published by OMB on August 13, 2002.

2. In addition to the reporting requirements in 24 CFR part 200, the recipient must collect and report data on its use of CoC funds in an Annual Performance Report (APR), as well as in any additional reports as and when required by HUD. This includes all projects awarded to the selected communities under the YHPD.

Please direct questions regarding specific reporting requirements to the point of contact listed in Section VII below.

D. Debriefing.

For a period of at least 120 days, beginning 30 days after the awards for a Program NOFA are publicly announced, HUD will provide to a requesting applicant a debriefing related to its application. A request for debriefing must be made in writing or by email by the authorized official whose signature appears on the SF424 or by his or her successor in office, and be submitted to the person, organization, or email address identified as the contact under the section entitled Agency Contact(s) in the Program NOFA. Information provided during a debriefing may include the final score the applicant received for each rating factor, final evaluator comments for each rating factor, and the final assessment indicating the basis upon which assistance was provided or denied.

VII. Agency Contact(s).

HUD staff will be available to provide clarification on the content of this NOFA. Please note that HUD staff cannot assist applicants in preparing their applications.
