FINDING OF COMPLIANCE FOR LEASING OR PROJECT-BASED ASSISTANCE
UNDER THE CONTINUUM OF CARE (COC) PROGRAM

Recipient: _______________________________________________________________

Project Name and Grant Number: ___________________________________________

The project is defined as leasing or project-based rental assistance because leasing or rental
assistance is to be provided for one or more housing units, and not for a specific tenant. No
rehabilitation or repair is involved in the project.

The project is classified as categorically excluded under 24 CFR 50.20(a)(4) but subject to the
federal laws and authorities cited in 24 CFR 50.4.

HUD Certification

Check one of the following:

____ I have reviewed the information and supporting documentation submitted by the recipient
and I find the project is not located in the federally designated Coastal Barrier Resources
System, a Coastal High Hazard Area, or a Floodway. The project is also in compliance with
HUD’s toxic policy at 24 CFR 50.3(i) and HUD’s implementation of Executive Order 11988-
Floodplain Management. See attached supporting documentation and information.

____ The project is rejected for the following reasons (specify basis for rejection and attach
supporting documentation and information):

HUD Staff Name:___________________________________________

HUD Staff Signature: ___________________________ Date___________________

HUD Approving Official:_______________________________________

HUD Approving Official Signature: ___________________________ Date__________
