

IDIS Online 11.12.1 Release Notes

The next system release for IDIS Online (Release 11.12.1) will occur the evening of September 9, 2016. The following are the changes that will go live in the system on September 12, 2016 as a result of the release:

MicroStrategy Reports

- Updated the PR03 BOSMAC (original) report to remove the Prior Year Flag and Source Type columns. This resulted in ensuring every activity is listed only once on the report.
- Updated the PR03c-Public Service Activities report and the PR03d-Job Creation Activities with 0 jobs or that have exceeded \$35k per job report to remove the Prior Year Flag and Source Type columns to ensure every activity is listed only once on the reports.
