

## **IDIS Online 11.8.1 Release Notes**

The next system release for IDIS Online (Release 11.8.1) will occur the evening of August 8, 2014. The following are the changes that will go live in the system on August 11, 2014 as a result of the release:

- The Edit Activity page has been updated to allow user to accurately set the 'Ready to Fund' value (*applies to HOPWA-C activities*).
- The CDBG Accomplishment page has been updated to no longer require Job data. Job data will continue to be required at activity completion (*applies to LMJ\* activities*).
- The Search Voucher option has been updated to prevent users from viewing unauthorized voucher data.
- The CAPER stored procedures has been updated to no longer omit accomplishment data for newly created CAPERS.
- The IDIS login page has been updated to require users to agree to the terms of service before allowing users to access the system.
- The Select Profile page has been updated to no longer display Utilities options (*user must reach the IDIS Welcome page before the IDIS specific Utilities options are available*).
- This release includes migration of IDIS Application servers to Linux.

### **HUD Environmental Review Online System (HEROS)**

- Appendix A, Air Quality→Q4 has been updated to read: "Yes, the project exceeds de minimis emission or screening levels."
- The Categorically Excluded Subject to 58.5 and 50.4 Environmental Review Outputs have been updated to the appropriate template.
