Homeownership Assistance vs. Housing Counseling

- Misuse of matrix codes 13 and 05R for activities that solely provide housing counseling is one of most common user errors in IDIS.
- For activities that **ONLY** provide counseling:
 - Use 05U
 - Report number of persons receiving counseling
- For activities that provide financial assistance:
 - Use 13 or 05R
 - Report the number of households receiving financial assistance
 - Do NOT report not the number receiving housing counseling except under the Performance Measurement screen where is specifically asks for this number.

Code Enforcement

- Key provision of reg: “...when such enforcement together with public or private improvements, rehabilitation, or services to be provided may be expected to arrest the decline of the area.”
- Updated Performance Measurement Fields:
 - Housing Units receiving violations
 - Housing Units where code violations have been corrected using CDBG funds
 - Housing Units where code violations have been corrected by the owner
 - Housing Units where code violations have been corrected using other funds
 - DESCRIBE specific public and private improvements or services provided in the code enforcement area

Housing National Objectives

- **Low Mod Housing (LMH) – most common**
 - Count households, not residents or families. Households are all occupants of unit, related or unrelated
 - Single unit = must be occupied by LMI HH

 - 3 persons assisted > 2 FTEs

Persons Assisted

Alice Anderson

Bill Brown

Cindy Snow

3 Persons Assisted

- **Job Retention Documentation:**
 - Document how jobs will be lost without CDBG

Key Points for Economic Development

- Direct Financial Assistance to For-Profits
 - Separate activity for each business assisted
 - Do not aggregate
- Report jobs in correct program year
- Report jobs only once each program year (i.e., separate program delivery activity)

 - Long-standing, open activities (at-risk)
 - Cancelled activities with draws
 - Draws revised from one activity to another
- Changes in IDIS:
 - Flag at-risk activities
 - Require justifications (remediation plans)
 - Require field office review and approval
- **Meant to serve as management tools, not compliance tools**

At-Risk Activities

- At-Risk activities include:
 - No draws for a year
 - No accomplishments for three years
 - Activities that have 80 percent of their funding amount disbursed and no accomplishments reported
- Each at-risk activity requires Remediation Plan*
 - Reasons for Delay
 - Action Plan for resolving the delay
 - Timeline for completing Action Plan (within six months)

*If grantee can cancel/complete activity, remediation plan is not needed

Remediation Plans

- Short term actions to move a stalled activity forward/resolve the delay
- At a minimum, provide a timeline for drawing additional funds or reporting accomplishments, and outline when the grantee expects to complete the activity.
- Does not have to be completed or cancelled within the six month timeframe

New IDIS Features

- Orange Banner at the Top of the IDIS
- Review Activities Screen
 - Awaiting Remediation
 - Awaiting Field Office Review
 - Not Accepted by Field Office
 - Remediated by Grantee
 - Pending at Risk
- CDBG Activities At Risk Report (PR59)

At-Risk Review Process

- 90 days/2 weeks to submit Remediation Plan
 - Plan can be edited until field office acts
 - Consult with its F.O. to ensure timeline and actions are reasonable
 - Failure to submit plan => complete activity or cancel the activity and return all drawn funds
- Field office approves or disapproves
 - Plan is read only
 - Approval => carry out Remediation Plan
 - Disapproval => complete or cancel activity
- Grantee confirms actions have been taken
 - Failure to confirm => complete activity or cancel the activity and return all drawn funds

May 2013 Changes

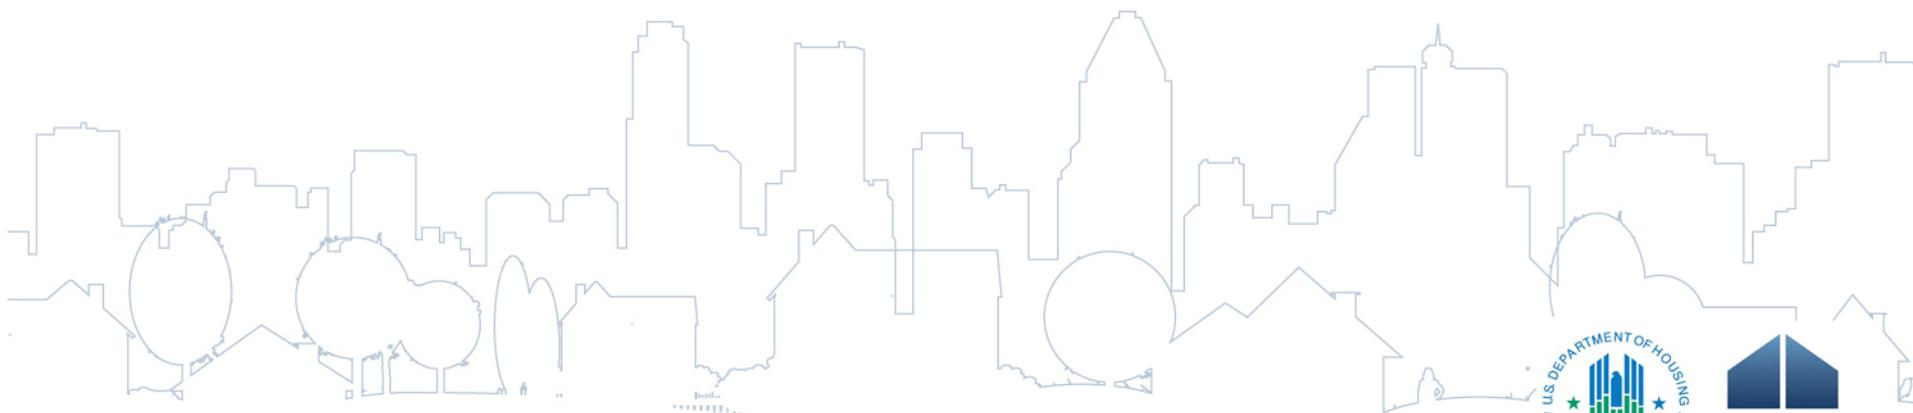

- Only one Remediation Plan will be required per At-Risk Activity
- Public facilities and economic development (except for 18B) exempt from the “80 percent disbursed” flag
- Due dates for Remediation Plans will appear on the Review Activities list

Cancel An Activity with Draws

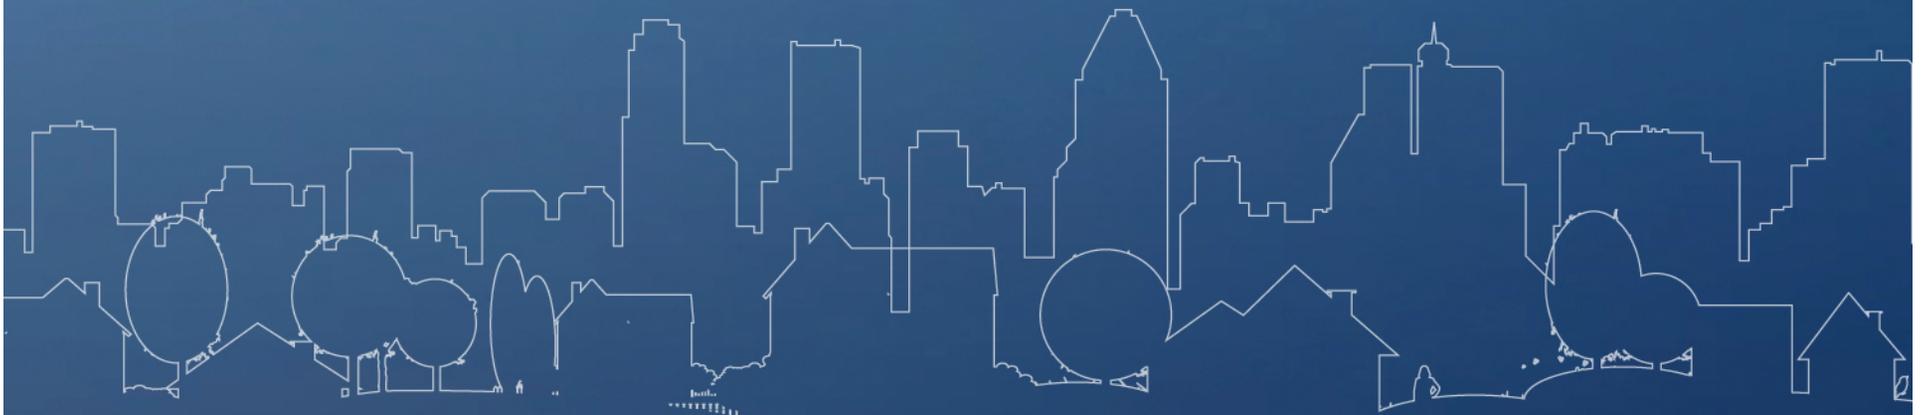

- Consult with F.O. before submitting a request to cancel an activity with draws
- Can no longer cancel an activity with draws without field office approval
 - Provide justification
 - Request is sent to the field office
- Field office will approve or disapprove the requests in IDIS
 - If disapproved, grantee must complete the activity or cancel the activity and reimburse all drawn funds.

Revising a Voucher

- If the subrecipient is allowed to keep PI per CDBG agreement:
 - Fund to specific activity
 - Enter receipt in IDIS on a regular basis

MODULE 10: ADDITIONAL DRAWDOWN TOPICS

Module Overview

- Drawdown Approval
- Drawdown Revisions
- Returning Funds to HUD

Drawdown Approval

- Process has not changed
 - Two people required for drawdown
 - One person creates drawdown
 - One person approves drawdown
- Finance person can have both create and approve privileges, but person cannot approve drawdown she created.

Drawdown Revisions

- Now requires justification
- Repayments include excessive draws, ineligible uses
- When amounts are small and can be used to satisfy immediate cash needs:
 - Net available cash out of next draw requests, just like program income
 - Use revise drawdown to move all or a portion of a drawdown to activity that will use the money.
 - “We didn’t really spend \$500 on Activity X. We actually spent \$400 on Activity X and this \$100 was used for Activity Y.”

Revision Example

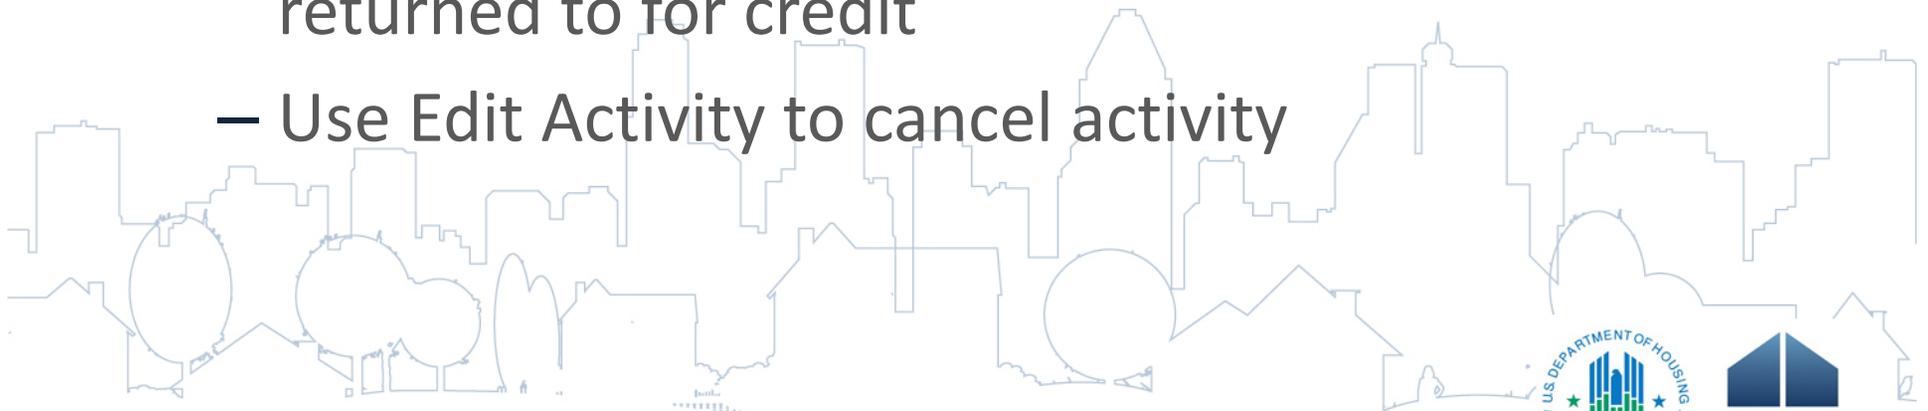

- Onsite monitoring shows subrecipient received \$6,000 for ineligible use (IDIS Online #1001).
- Subrecipient remits payment to grantee.
- Grantee's next CDBG drawdown is for \$13,000 in administrative costs (IDIS #1002).
- How is this reflected in IDIS Online?

Revision Example

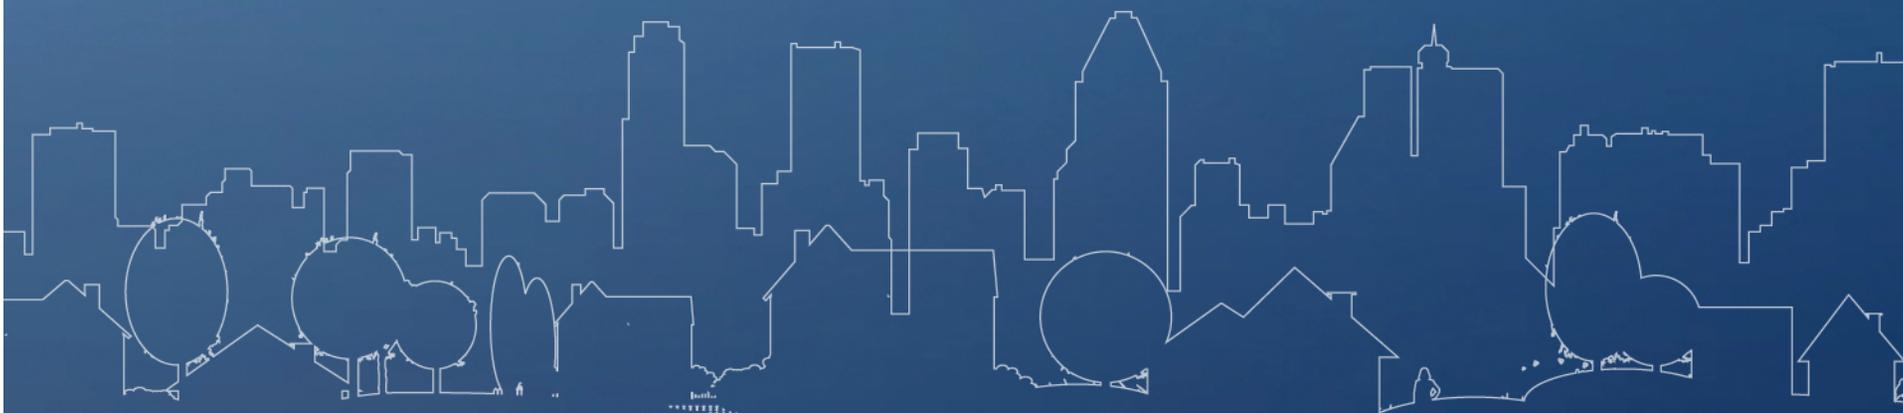

- Step 1: Select drawdown to revise
 - Drawdown for Ineligible Activity #1001
- Step 2: Enter amount to be revised
 - \$6,000
- Step 3: Select activity that will use cash in bank
 - Admin Activity #1002
- Step 4: Draw additional cash needed to meet obligations
 - Additional \$7,000 needed for Admin Activity #1002

Returning Funds to HUD

- Returned funds are credited as a negative draw against Activity #2: CDBG Committed Funds Adjustment
- Create Receivable Voucher
 - Identify the activities where funds should be returned to for credit
 - Use Edit Activity to cancel activity

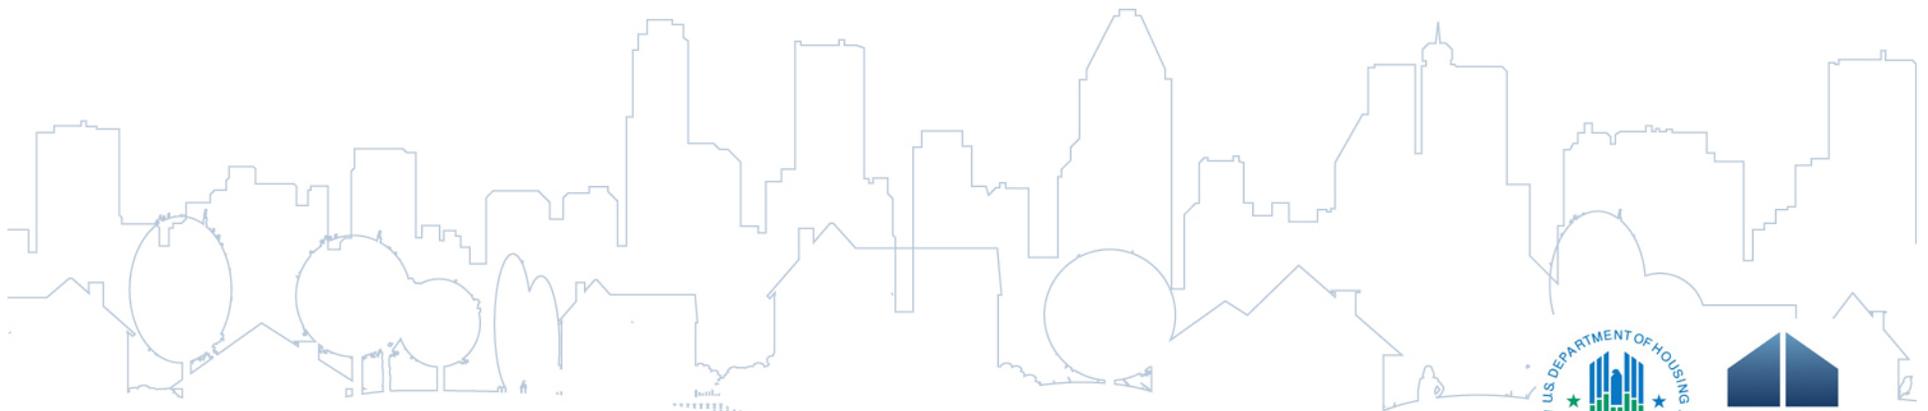

MODULE 11: SECTION 108 LOAN GUARANTEE REPORTING
