CONTINUUM OF CARE PROGRAM:

Grant and Project Administration Requirements

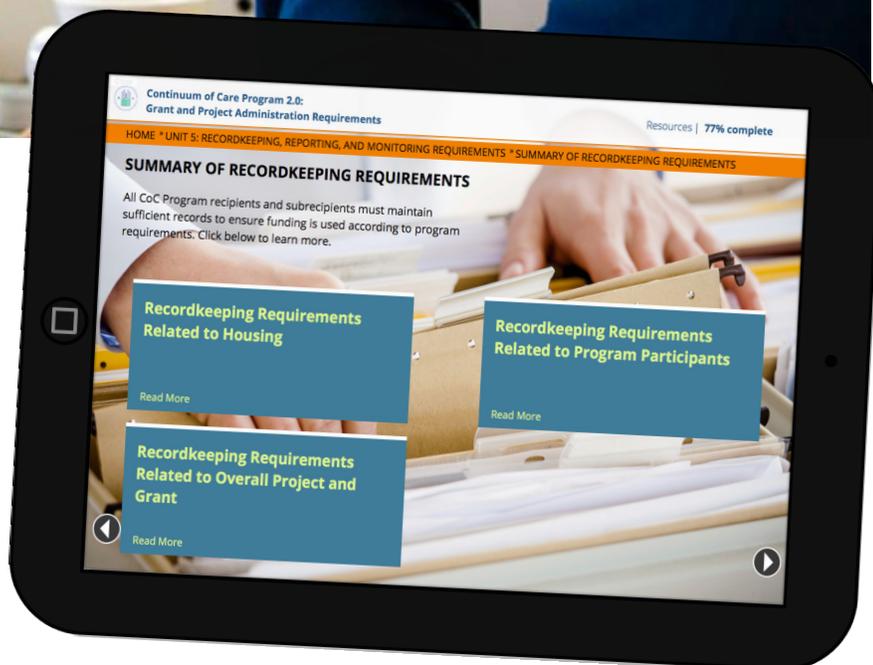

The HUD SNAPS office is pleased to announce the release of a new tool: ***Continuum of Care Program: Grant and Project Administration Requirements.***

This online training module ensures that recipients and subrecipients understand the primary responsibilities in administering a Continuum of Care (CoC) Program project.

The module includes a summary of information about the requirements established for recipients and subrecipients in the *CoC Program Interim Rule*.

The training enables users to:

- Understand the requirements related to housing activities
- Describe the requirements related to program participants
- Explain the applicability of other Federal requirements in relation to the CoC Program
- Summarize the requirements for recordkeeping and expectations for monitoring

To explore these new tools, please visit the Training page on the [HUD Exchange](#).

If you do not already have an account, you will be prompted to create one.
